

# ABLE SAVINGS PLAN

## ABLE TO EARN, SAVE AND THRIVE

***There is no limit to what people with disabilities can do. That includes saving for the future! ABLE accounts build self-reliance, encourage education and employment, and improve the overall quality of life of individuals living with disabilities.***

The ABLE Savings Program is a tax advantaged savings account for Kansans with disabilities.

ABLE Savings can be used to pay expenses that improve the health, independence, and quality of life – from education and employment training to housing and health and wellness expenses.

ABLE Savings Accounts allow up to \$19,000 total to be contributed annually. If account holder is working, he or she can contribute an additional amount based on IRS guidelines.

ABLE Savings Accounts do not jeopardize SSI benefits, Medicaid, and other means-tested benefits Kansans living with disabilities may be eligible to receive.
